Our students have engaged in many opportunities over the past weeks as the staff and students maintain the tradition of excellence at our school.

Last Friday marked Leadership Day at our school. This was a great opportunity for our students to gain an understanding of leadership being about people not power or importance. Our students then engaged in activities around developing their skills as leaders.

On Monday our Leadership Team travelled to Dubbo with Mr Gaffney for the GRIP Leadership Conference. The students enjoyed a fun filled day engaging with students from other schools, learning how to contribute positively to our school and community. A report from the day will be provided in our next newsletter.

The Primary Athletics clinic continued to provide our students with the opportunity to learn and practice new skills with a focus on our school athletics carnival that will take place towards the end of our term.

Other sporting opportunities have included students representing our school in sports such as touch football which was played in Dubbo last week and Netball here in Forbes during this week. I would also like to mention our Boys' Rugby League Team who played in the early round of the Classic Shield on Tuesday, winning all their games in Canowindra. More information about their successful day will follow in our next newsletter. Thank you to our staff who remain committed in encouraging and providing opportunities for our students to engage, learn and excel in sport.

I was privileged during the week to watch students from our Learning Centre practice their performance for the Cowra Eisteddfod at the Jemalong Residential Village. The performance was an Australian take on the well known children's story, The Little Red Hen. The students were a huge hit with their audience and performed with great confidence and enjoyment.

Our school participated in the National Simultaneous Story Time yesterday along with other schools across our state. Teachers enjoyed reading the book 'Alpacas with Maracas' to their students. Events like this help promote the value of reading, literacy and a love for books.

The staff of Forbes Public School continue with a strong focus on evidence based practice to support their delivery of the curriculum. I have enjoyed wandering through classrooms over the past weeks watching quality teaching in action.

Have a great fortnight.

Cupcake Workshop

After the Cross Country 2-6C, K-6M and K-6F all participated in a Cupcake Workshop with Mrs Alley.

We had to decorate our boxes by colouring them in for our Mothers Day present. We chose a cupcake and squeezed the icing on with a piping gun. We decorated the cakes with different lollies and treats.

The first cake we decorated was the rainbow cake. The second one was icing balloons. The third one we used icing spray paint to paint Marshmallows to change their colour. The fourth was a beach.

Finally we made our own design. I put sour straps, sprinkles, smarties and icing on mine.

We would like to thank Mrs Alley for coming in and working with everyone and helping us make the cakes.

Jakieal Ware - 2-6C

LC Special Sports Day

On Wednesday, 8 May, students from K/6F and K/6M went to Red Bend Catholic College for a Special Sports Day.

First we did a speed walking race and dress up race.

Then we did the three-legged race and egg and spoon race.

Next we had a dance and flossing competition where Forbes Public took out the winning ribbons.

Lastly, we played musical chairs. It was a fun filled day!

Girls and Boys Soccer

On Thursday of Week 2 the Boys and Girls Soccer Teams played their round 2 Soccer clash against Forbes North Public School

Our Girls Team played a thrilling contest. The focus was on the ball with both teams following the play up and down the field. Both teams found their shape over the first 12 minutes. There were opportunities to score and our girls capitalised by scoring a goal. Forbes Public applied tremendous amounts of pressure. The girls had 13 corners in their favour.

As the game progressed Forbes North applied lots of pressure. They grabbed a goal to equalise the game with only minutes left. The game went into full time with the score 1 a piece. With 5 minutes each way of extra time the girls had to capitalise on the pressure that they had built during the game. Forbes Public School scored 2 goals running out winners 3 goals to 1, progressing to the next round.

The Boys game was a gripping contest. The teams were both attacking and defending equally well. FPS created many chances in the first half. The boys applied lots of pressure and forced many saves from the keeper, and had many corner chances. The teams went to the break nil all.

The second half was just as gripping of a contest. The boys from both teams pushed themselves to the limit. Forbes North broke the dead lock with 12 minutes remaining. Forbes Public tried hard and continued to push forward. They dropped off one defender at the back to increase their chances of scoring. The boys defended well but sometimes the drop of the ball just doesn't go your way and with 4 minutes remaining Forbes North grabbed a second goal. Forbes North finished the game victors 2 goals to Nil, progressing to the next round.

Congratulations to Miss Jones and her Forbes North team on a fantastic game. Well done to our boys who played very well and tried very hard until the end of the game.

Thank you to the year 6 boys who have played their final games for the school soccer team. These boys started when they were in year 3 and 4 representing the Forbes Public School and have done so with great responsible, respectful and safe behaviour.

Thank you to all the parents and supporters who came to watch and support these teams.

Lachlan Touch

On Monday, 13 May students from across the Lachlan District participated in a Western Trial competition. Forbes Public School was represented by Lachlan Alley, Jakieal Ware and Harry Staines in the boy's competition. We also had Ellie Pointon and Adelaide Langham representing our school in the girl's competition.

Both teams played exceptionally well and showed wonderful sportsmanship throughout the day. The students played 4 games across the day competing against Dubbo, Orange, Mudgee and Lithgow. Lachlan were successful in gaining two positions in the Western team – Jack and Grace Milne both from Parkes East Public School.

Well done to all on a successful day.

Beeswax Food Wraps

3 PACK

\$25 for 3 pack

\$7.50 for Eco Cloth

\$30 for Produce Bag 4 pack

A reusable, washable and beautiful alternative to single use plastic

What are beeswax wraps?

Bee Wrappy Beeswax Food Wraps are used to cover food, vegetables, fruits and bowls in the same way you would use cling film. They are washable, reusable and compostable.

What are Bee Wrappys made out of?

Our wraps are made with all-natural ingredients and no nasties. GOTS certified organic cotton, organic Australian beeswax, dammar resin, Australian jojoba oil and virgin coconut oil. That's it. So, you can dispose of your wrap in the compost or green bin knowing that it's 100% bio-degradable.

How do Bee Wrappys work?

With the warmth of your hands, the wraps become malleable. This allows you to mould them around food and bowls, where the wrap will stick to itself, creating a breathable yet protective cover. You can also fold Bee Wrappys into snack-pouches or little envelopes which are perfect for out and about.

How do I wash and take care of them?

It's super simple!

Wash your wraps with cold soapy water, and drip dry them in your dish rack. Please keep them away from all heat sources or hot water as they will begin to melt. After they dry you can store them anywhere (we store ours with the tea towels).

What can I use my beeswax wraps for?

You can use your Bee Wrappys to cover almost any food or bowl in the kitchen.

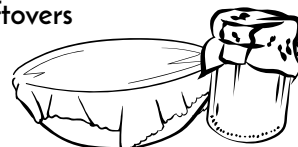

Wrap:

- half an avocado or lemon
- almost any vegetable (like pumpkin, celery, cauliflower and zucchini)
- cut fruit
- sandwiches for your lunch or picnics

Cover:

- large salad bowls for a BBQ
- cool casserole or lasagna dishes
- leftovers
