

A Message Regarding Term 2 Learning at FPS

As Term 1 comes to an end, we want to acknowledge the complexities and challenges the COVID-19 situation has presented to our school and community, and recognise the wonderful resilience, integrity, team mindset and care our school community have shown as a result.

At this point in time, school will continue next term as it has this term. Staff will be out the front of the school day one next term, Monday the 27th April between 11am and 3.30pm to hand out continuity of learning packs for Term 2.

Our continuity of learning packs next term will consist of a mixture of online work through Google Classroom, paper worksheets and tangible resources. Maths games and other concrete material have also been developed and can be found in your packs to assist with learning at home. Laptops are currently being sourced and prepared for distribution to our families next term to support learning online.

We could not be prouder of our families, staff and students, and we would like to take this opportunity to wish you all a safe, happy and healthy Easter Break.

*Happy Easter From
the Team at FPS*
