Term 3 Week 2

*"Maintaining A Tradition of Excellence"*

Welcome back to Term 3. I cannot believe we are already half way through our school year! Students have been very busy over the last fortnight working hard right from the first day they returned.

This term we have many wonderful activities and opportunities for students. Next week is Education Week and students have had the opportunity to create wish lists to purchase books from our Book Fair with Ms Patterson and their class teachers. I have had the pleasure of chatting with many excited students about what books they would love to purchase and read. Our week will finish off with what I think is

one of the best days on our school calendar, being our book parade. I cannot wait to see students (and staff) all dressed up in their character outfits. Information about the day was sent home with students earlier this week.

Term 3 will also see Forbes Public School continue to represent and excel in a variety of sports. One I would like to mention is our AFL team. In Week 5 they will be travelling to Sydney to compete in the Paul Kelly Cup. This will be a proud moment for Forbes Public School as it has been a number of years since a public school has represented our area.

Have a great fortnight

Mr Northey - Assistant Principal

Forbes Public School are taking part in Jeans for Genes in 2022 on Wednesday, 10<sup>th</sup> August. Students who wish to participate are encouraged to bring in a gold coin donation to support this organisation.

Every minute around the world, 12 kids are born with a birth defect or genetic disease.

We encourage everyone to join us - wear your jeans and donate to raise money to help find treatments and cures for kids with genetic diseases.

A note will be sent home next week with more information.

## PBL focus

Our whole-School Positive Behaviour for Learning focus is being respectful, responsible and safe at all times.

## P & C News

Next Wednesday, 3<sup>rd</sup> August will be the first monthly P&C meeting for Term 3. The meeting will start at 7pm in the school library and everyone is welcome to attend.

One of the main topics for discussion will be our 2022 School Fete. If you have any ideas, suggestions or would like to become involved in any way we would love to see you on Wednesday!

Late last term you should have received an order form for our paver fundraiser. Purchasing a paver for your family or child is a great way to help the P&C raise funds and contribute to the ongoing legacy at the main entrance to Forbes Public School. If you have misplaced your order form or know of an ex-student who may also be interested, please email:

[forbespublicschool@pandcaffiliate.org.au](mailto:forbespublicschool@pandcaffiliate.org.au) to have a new form emailed to you.

A reminder that orders close Friday, 26<sup>th</sup> August (week 6).

## State Cross Country

On Friday, 22nd July three students from Forbes Public School travelled to Sydney to represent Western PSSA at the State Cross Country Championships. For these students to make it this far they had to come in the top 3 at school level the top 6 at Lachlan and then the top 6 again at Western.

Congratulations to Jackson Beaudin, Ruby Coote and Stella Bull who all achieved these goals. They had a great time at Eastern Creek and although didn't get a top place they all ran well.

## NSWPSSA Western Rugby League Classic Shield Finals Day

On Wednesday 27<sup>th</sup> July, the Forbes Public School PSSA Rugby League Team travelled to Parkes to play in the Classic Shield Finals Day. First up, the team played their Quarter Final match against Narromine Public School. They were strong in both defence and attack and defeated Narromine 38-4. Tries were scored by Snow Hodder x 2, Jack Schrader x 2, Eli Gharib, Laine Jackson and Hudson Gunn.

The FPS team then played their Western Semi Final against a strong Bathurst Public School team. They worked hard and completed back to back defensive sets with minimal attacking opportunities. Unfortunately, the boys went down 18-10. They displayed teamwork and sportsmanship and should be proud of their efforts against this tough team. Congratulations go to Eli Gharib for scoring 2 tries in this match. We wish Bathurst Public School all the best in their Western Final against Orana Heights Public School.

Thank you to all of the players who were a part of our team throughout the 2022 NSW PSSA Western Rugby League Knockout. A total of 20 students participated across the various rounds and days that were held throughout the year. Special mention goes to Tim Smart and Dave Schrader. Thank you for coaching and training the boys and thank you to Mr Butler and Miss Patton for managing the team. Thank you also to Toby Smart for running the kicking tee on the finals day!

# Aspect Assessments

## Fee reduction information sheet

Aspect Assessments is able to offer some assessments at a reduced fee to individuals who require financial assistance to access an initial diagnostic assessment. These assessments are able to be offered at our Sydney offices (Chatswood and Baulkham Hills), Coffs Harbour offices and via Telehealth.

To be eligible to access a fee reduction, individuals must have:

- **Low income**
  - For children under 18 years, parent/carer has a health care card or pension card in the parent's name
  - For individuals over 18 years, individual has a health care card or pension card in their name

AND at least 1 of the below:

- **Aboriginal or Torres Strait Islander background**
- **Refugee visa status**
- **Culturally and linguistically diverse backgrounds**
- **Reside in the following areas:**
  - South-West Sydney (i.e., Bankstown, Camden, Campbelltown, Fairfield, Liverpool, Wingecarribee and Wollondilly LGAs)
  - Regional or remote zones of Australia- i.e. living outside a metropolitan area as defined by the Rural, Remote and Metropolitan Area (RRMA) classification. You can check whether you are located in a regional or remote area at <https://www.health.gov.au/resources/apps-and-tools/health-workforce-locator/health-workforce-locator>. Please select "RRMA" and enter your address to find out whether your home address is classed as regional or remote.

The full cost of an autism assessment is \$1,990. The amount of fee reduction and out of pocket cost depends on the age of the individual and the number of eligibility criteria that they meet. The level of fee relief available is:

Age group	Eligibility criteria	Fee reduction	Cost to individual
Children 8 years or younger	Low income + 2 or more other eligibility criteria	100%	\$0
	Low income + 1 eligibility criteria	87.5%	\$250
Individuals aged 9-17 years	Low income + 1 or more other eligibility criteria	87.5%	\$250
Individuals aged 18+ years	Low income + 1 or more other eligibility criteria	75%	\$500

In addition to the above fee reduction, families with children under 13 years of age may be able to access a Medicare rebate if referred to Aspect Assessments by a paediatrician or child psychiatrist. Unfortunately, there are no Medicare rebates available for individuals 13 years or older.

Fee reductions are only available when the assessment is being paid for by the individual or their family. That is, a fee reduction is not available when the assessment is being paid for by a government agency or third party.

To apply for a fee reduction, please complete an application form and email it to [assessments@autismspectrum.org.au](mailto:assessments@autismspectrum.org.au). If you have any questions, please contact Aspect Assessments on [assessments@autismspectrum.org.au](mailto:assessments@autismspectrum.org.au) or 1800 277 328
