What a fantastic fortnight we have had at Forbes Public School, as our students settle well into the school day routine. It was wonderful to see so many students participating in our Swimming Carnival on Friday, with students trying their best, and demonstrating outstanding sportsmanship and comradery. A huge congratulations to those who tried an event for the first time, achieved a personal best, gained places and broke records! A huge thank you to all who came along and cheered on our students and to those who could volunteer their time to assist with the running of the carnival.

A friendly reminder, that our school operating hours are from 8.30am. We encourage families to drop off no earlier than this as staff do not provide supervision until this time due to team and parent meetings as well as class preparation.

Our first P&C meeting takes place next Wednesday evening at 7pm in the front office building, everyone is welcome, bring along the kids.

We have more school events taking place over the next two weeks, so be sure to save the dates on the fortnightly snap shot below and dates found on the monthly calendar on the back of the newsletter.

On that note...about notes, we will be streamlining event communication to the newsletter, school stream and Facebook as feedback has indicated information can be lost in the influx of communication sent home in paper note form. As we move to limit paper communication, we would like feedback on your preferred platform of receiving communication about school events.

Dear parents and carers,

This term, you will notice new posters around the school that aim to help support a safe and respectful culture at our school.

These posters are part of an initiative to remind everybody to treat our hard-working school staff with kindness and respect. Every school community around the state is very different. While most schools are respectful and harmonious, violence and unsafe behaviour in any form is not acceptable in schools. School staff and students have the right to learn and work in safe and respectful learning environments.

With that in mind, I encourage you to join everyone at our school in getting behind this important work to make a positive change.

We value our partnerships with you to support our students to learn, grow, and belong. It is up to us – the school and the parent-body - to be good respectful role models to our students. Together, we can create a safe and harmonious environment for our students and staff.

I hope you will support this initiative. What do you need to do? It is easy: Please treat our students and staff with kindness and respect, at all times. We are here to help you.

#### **Volunteer Bus Drivers Wanted**

Can you help? FPS would love volunteers to help out with coaching and excursion transport.

We often need drivers for our 22 seat coaster bus to take students on excursions and to events.

If you have a medium rigid license and some spare time we would love to hear from you to go into our driver pool.

Please contact Mrs MacGregor on 6852 1934, 0436 803 330 or through our school email: forbes-p.school@det.nsw.edu.au

#### **Rugby Union Parents Wanted**

Calling all rugby union parents! If you have experience playing or coaching rugby union we would love your assistance to help teach students interested in joining our rugby union teams or trialling for Western PSSA.

Games and trials are early in Term 2 so we would be looking to begin training in the coming weeks for the remainder of Term 1.

If you have an afternoon free or any spare time throughout the day please get in touch with Mrs MacGregor on 6852 1934, 0436 803 330 or email: forbes-p.school@det.nsw.edu.au

You're Invited!

The Forbes Public School community is invited to attend the Corey Ovington Memorial Ball to be held at the Forbes Town Hall on Saturday 2nd March. Corey was a much loved student who brought joy and happiness to all those who were lucky to know him.

On the night there will be live auctions of some fantastic items including a travel voucher from Hello World, an InkheArt artwork by Mahla and photography package from Echo Photography.

Catering by Pickles Coffee Collective and live music by Em n Gerry. How could you resist?! Proceeds from the evening will be donated to the Forbes Public School Learning Centre.

WE'LL BE WITH YOU ALL OF THE WAY

### Thinking of becoming a foster carer?

There are thousands of children and young people in the NSW out-of-home care system needing a loving home. While there are many caring individuals and families opening up their homes and lives to foster children, there remains an ongoing need for more carers.

**Foster Care** 

We understand the decision to foster is a big one. The next step is to contact the Challenge Foster Care team to discuss your situation and your suitability as a foster carer. Once you become a carer you'll be supported all the way by a dedicated caseworker and the Challenge team.

We urgently need dedicated people to provide care to children living in supported crisis accommodation. There are children and young people in our region in need of safe, loving homes where they can thrive.

Ready to take the next step? Fill in an enquiry form on our website and we will be in touch to walk you through the process of becoming a carer. Prefer face-to-face? You can meet one of our team at your home or a public space and they can answer any questions you might have, and explain what's involved with becoming and being a carer with Challenge.
